

DAILY CONNECTIONS BETWEEN SWITZERLAND AND ITALY

Our solutions to and from Italy

- Groupage services from Zurich to and from Milan, Bologna and Pordenone
- Full and part loads
- Conventional customs clearance in Switzerland and Italy
- EU customs clearance in Germany (on request also via fiscal representation)
- Tarpaulin vehicles, refrigerated vehicles, jumbo vehicles, combined road/rail transport, express deliveries and ADR equipment

You benefit from

- Direct groupage transports to and from the industrial strongholds in northern and central Italy
- Lead times of max. 72-96 h for the whole of northern and central Italy (southern Italy max. 4-6 working days)
- Long-standing partners and own branch in Italy
- Thanks to the proximity to the customers / suppliers in Italy, the consignments are handled a maximum of 1-2 times
- Own customs declarants in Switzerland and in Italy
- Flat hierarchies and short reaction times
- Well trained employees
