

The Schneider Group, founded in 1865, is an internationally oriented medium-sized freight forwarding company. With 760 employees at locations in Switzerland, other European countries, the USA and Asia, we coordinate freight transports in cross-border traffic for our customers. In addition to land transport, sea and air freight, Schneider offers comprehensive services in customs clearance, logistics and special services.

For our subsidiary **ASR Forwarding Ltd.** based in Basildon we are looking for an experienced and reliable:

Branch Manager

to oversee business operations and provide strategic leadership. The Branch Manager's responsibilities include developing and implementing strategic plans and company policies, maintaining an open dialogue with stakeholders, and driving organizational success.

To be successful as a Branch Manager you should be able to manage and advance a business's strategic objectives. Ultimately, an outstanding Branch Manager is an exceptional leader, drives a company's strategic visions, and is adept at crisis management. Being in charge of a small team and dealing with a clientele composed of SMEs, he/she will also have to be able to assist the operations in some cases.

Responsibilities:

- Overall Management of all operational departments (Imports / Exports / Cross Trades). This to include regular meetings and discussions with department Managers in respect of any issues that require guidance from Senior Management.
- Developing and executing business strategies to achieve short and long-term goals.
- Reporting to the board, providing market insights and strategic advice.
- Developing and implementing business plans to improve cost-efficiency.
- Maintaining positive and trust-based relations with business partners, shareholders, and authorities.
- Overseeing the company's business operations, financial performance, investments, and ventures.
- Supervising, guiding, and delegating executives in their duties.
- Ensuring company policies and legal guidelines are clearly communicated.
- Assessing, managing, and resolving problematic developments and situations.
- Building and enhancing the company's public profile at events, speaking engagements, etc.

Education, experience and skillset:

- At least 3 years of relevant experience in a similar role or 5 years as Team leader in the Freight Forwarding industry
- Flexible and able to multitask
- Excellent communication, negotiation, and presentation skills.
- Strong analytical, critical thinking, and problem-solving skills.
- Able to excel in high-pressure situations.
- Excellent organizational and leadership skills.
